

W e B e l i e v e

We believe good business is achieved through collaboration, determination, and long-term relationships. As such, we conduct our business around the following core principles: To keep ourselves abreast of legalities pertaining to our daily business and adhere to these with strictness. Show a continued consciousness towards environmental issues. Keep our focus and determination on the stimulation of economic growth. Strive towards innovative & environmentally friendly solutions

M i s s i o n

Our agency is certified to perform trading and contracting locally and internationally. Our mission is to find and execute projects in the petroleum industry alongside international organizations within the State of Kuwait while offering the most innovative and cost-effective solutions to local clients.

V i s i o n

Our vision is to build a sustainable, environmentally friendly, and prosperous economy by bringing professional international services to the State of Kuwait.

O b j e c t i v e s

To represent, pre-register, and pre-qualify international service providers to successfully expand their businesses in Kuwait. We then expose them to the various opportunities in Kuwait to execute major and minor tendering projects with local leading industries.
